Fr.

Dami asked that I put an article in the bulletin re: Hawaii Foodbank needing volunteers. Volunteers can help earn food credits for the parish which we can use to pick up food. I mentioned that the application would be at our website. Can you post it there? See the email from Naomi Save. The link to the application comes from her.

Hi Fr. Nick & Alison,  
Is there a way to put something in the bulletin and maybe even on our website letting people know that they can support our FoodPantry by doing this? Our agency name is Immaculate Conception Church and our agency number is 102.

Thank You

Hi Dami,

Yes, you can sign up to volunteer with Kirsten in the salvage area (produce and dry is offered).

Please feel free to complete a [volunteer application](#) and send to  
**EMAIL:** [volunteer@hawaiifoodbank.org](mailto:volunteer@hawaiifoodbank.org) (be sure you mention your agency name and number so we know that you will be earning credit)

They are normally 4 hour shifts and you earn minimum wage per hour per volunteer. The money goes directly into your agency account.

Thanks!

Aloha Naomi,

I seem to remember something about volunteering for credit to our account. Is that still the case? How does it work?

Thank You again for your help.
